ENROLMENT for NCC (National Cadet Corps) –2021-22

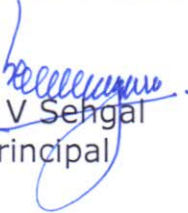

Dear Parent

National Cadet Corps is the largest youth wing of Armed Forces devoted to the nation building. The premier youth organization empowers the students with a prime motto of 'Service before Self'. The main aim of the organization is to create a nationwide pool of organized, proficient and inspired youth with leadership qualities.

At Bal Bharati Public School, Junior National Cadet Corps (NCC) Unit for Boys group was already in full swing in 2019 with the approval of Directorate of NCC, Ministry of Defence. The cadets are copiously groomed with an unflinching sense of discipline, duty and social responsibility. In this regard, we are pleased to announce that the school will be starting the third batch of NCC cadets (boys) in the current session on virtual mode. The two-year youth development programme offering basic training in NCC by trained professionals thoroughly prepares young learners for changing times ahead.

It also includes a ten days camp to develop skills such as self-confidence, teamwork and adaptability, thus enhancing the overall persona of the students. For more details, please visit nccindia.nic.in. The NCC provides enriching experience to the cadets in a wide range of constructive activities highlighting the need to serve the society which truly gels with the motto of the school i.e. to strive for better and better and serve the community.

For the cause of youth empowerment leading to ultimate nation building, you are requested to give your consent, allowing your ward to become a part of this once in a lifetime opportunity.

L V Sengal
Principal

CONSENT SLIP
