Astronomy Club Activity

July-2021

Activity -My Astronaut

“Look at the sky. We are not alone. The whole universe is friendly to us and conspires only to give the best to those who dream and work.”
– APJ Abdul Kalam

Dear Parent,

We at Bal Bharati focus on teaching Space Science and Astronomy to students through hands on experience. And to start this we aim at enriching the knowledge of students and enhancing their life skills.

The students will be involved in activities which inculcate in them the spirit of teamwork and leadership along with critical thinking and logical reasoning skills.

The philosophy of the activity is: **‘I do - I understand’**.

Activity

Students of class I - III will make an Astronaut using-

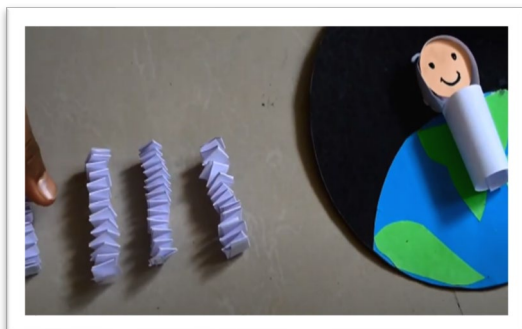

- coloured sheets
- glue/ fevistick
- colours and
- stick/sticks
- sketch pen

Kindly take a few pictures of your ward with the final work after attaching the same on stick/sticks. You can also record a video of your ward while doing the activity.

Share the same with your ward's name, class and section to her/his respective class teacher latest by 30th July 2021.

Please refer to the picture & link given below: <https://youtu.be/9fiD636uJoY>

In making

My Astronaut
