

Dear Parent,

**Dr A P J Abdul Kalam Ignited Mind Children Creativity and Innovation Awards** are given every year to creative children under 18 years old who have devised, derived, or thought of an innovative solution to any persistence social problem.

This year the students, who have thought of a solution to any common day-to-day life problem/s and have devised or thought of any method to solve them, can apply for the awards.

### Certain eligibilities/instructions for applying for the awards are:

- Children up-to standard 12th or if dropped out of school, under 18 years of age
- A student can send more than one entry.
- One can send a sketch or drawing of his/her idea/innovation while applying (though it's not compulsory).
- If a teacher is involved with a student in devising any idea, s/he will also be awarded.
- Kindly ensure that the idea being sent is original of the student and is unaided by anyone. Teacher's/parent's involvement would be accepted only at the application/designing/prototyping stage.
- **To Submit entries:**  
<https://bit.ly/ignitedmind2021>
- You can also send his/her idea/s on the following email ID:  
[ignitedmind@honeybee.org](mailto:ignitedmind@honeybee.org)

**Dr A P J Abdul Kalam  
Ignited Mind children creativity and  
innovation awards 2021**

*Students are there not just to teach to,  
but they should be seen as a  
crucible of creativity in themselves.*

If you have ever thought of a solution to any common, day-to-day life problems and have devised or thought of any method to solve them, and if you are a student from class 1st to 12th, then send us your innovative ideas on below address or email ID, or simply fill out the Google form given below to participate in the competition.

- A student can send more than one entry.
- You can send a sketch or drawing of your idea/innovation with your submission, though it's not compulsory.
- If a teacher is involved with a student in devising any idea, s/he will also be awarded.
- Kindly ensure that you send your original ideas only unaided by anyone in generating the ideas. Teacher's/parent's involvement would be accepted only at the application/designing/prototyping stage.
