

Fourth Cycle Assessment 2021-22  
Important Guidelines and Date Sheet Class IV

*As long as you keep going, you'll keep getting better. And as you get better,  
you gain confidence. That alone is success.*

Dear Parents

As the fourth cycle assessments are scheduled in the month of February, we would like to apprise you with the date sheet and some important information regarding the same. Kindly go through the following points carefully:

1. The assessment will be conducted both in online and offline modes. CRISP Platform will be used for online assessment.
2. Each assessment for scholastic subjects will be of 15 marks except Mathematics. Assessment of Mathematics will be of 20 marks.
3. In this cycle assessment for co-scholastic subjects – GK and Computers will also be conducted for 20 marks each. Complete syllabus of both third and fourth cycles will be covered for these two subjects. Students will also be assessed according to the parameters mentioned in the syllabus.
4. Other co-scholastic subjects are being assessed during the live classes on the parameters mentioned in the syllabus.
5. All questions will be objective in nature.
6. Time allotted for each assessment will be 30 minutes except for Mathematics where it is 42 minutes. Students must submit the answers within the prescribed time limit. Late submission will not be accepted.
