

Third Cycle Assessment 2021-22: Important Guidelines and Date Sheet
Class IV

*As long as you keep going, you'll keep getting better. And as you get better,
you gain confidence. That alone is success.*

Dear Parents

As the third cycle online assessments are scheduled in the month of December, we would like to apprise you with the date sheet and some important information regarding the same. Kindly go through the following points carefully:

1. The online assessment will be conducted through CRISP Platform.
2. Each assessment for scholastic subjects will be of 15 marks except Mathematics. Assessment of Mathematics will be of 20 marks.
3. All questions will be objective type.
4. Time allotted for each assessment will be 30 minutes. Student must submit the answers within the prescribed time limit. Late submission will not be registered in the system.
5. The timings for the assessment will be **8:30 a.m.- 9:00 a.m.**

Please Note: Rest of the timetable will be followed as it is.

6. Children are advised to watch all the modules regularly and practice worksheets and CRISP assessments.
7. They are further instructed to learn all the question answers thoroughly as objective questions will be framed from Questions-Answers of the lesson also.
