

General Objectives

Teamwork is truly the strength of any organization. We at Bal Bharati, believe in instilling the values of Collaboration, Cooperation and Teamwork . These values are reinforced , when research work is carried out on projects like G 20 more so as India holds the Presidency this year and is delivering the beautiful message of "VasudhaivaKutumbakam" or "One Earth . One Family . One Future" to the world.

In keeping with the spirit of our theme,summer activities have been planned. Work on them, keeping in mind the following

General Instructions

- The Activities planned in this regard are Interdisciplinary and are to be done by students as a team. The students have already been assigned a group by their class teacher which will soon be intimated to them. No requests for change of group will be entertained as these activities will be placed under Project and Activity and will be part of Internal Assessment and assessed. Teamwork and cooperation are important parameters for this Assessment so each child is expected to show full sincerity and commitment.
- The Class Teacher has further deputed one member from each group as the leader of that group. The group leader will ensure that all members work as a team and contribute in true spirit.
- The activities are to be submitted when the school reopens in July . The work will be posted under the topic SUMMER HOLIDAYS HOMEWORK in GC as group work by the group leader. The project will be assessed group wise, so the names of all group members should be mentioned clearly in the project.

We look forward to witnessing your creative abilities through these activities. Explore and enjoy the journey of constructing and curating ideas.

Your goals will be certainly achieved with hard work determination and constant effort with positive attitude.
