Montessori Department Pre School-Pre Primary Session 2023-24

*A sprinkle of sunshine, a clear blue sky,
A fluffy white cloud, floating way up high,
Some soft, green grass, to tickle my feet
A bed of bright flowers, to smell so sweet
A bucket to fill a paddling pool
To splash, have fun and keep me cool,
A flurry of bubbles that I can blow
A rope to skip, a ball to throw,
Sunglasses, flip flops and ice cream,
A summer's day is like a dream.*

It's Summertime!

Dear Parents

Vacations are the best time to unwind, celebrate, spend quality time with loved ones, discover new aspects of oneself, and rejuvenate. It is the most anticipated time of the year, and everyone looks forward to it. This summer vacation, we wish you and our children a joyful, creative, satisfying, and fruitful time. To make the vacations enriching and exciting, we request you:

- To spend quality time with the children.*
- Make mealtime a time for family bonding and encourage children to eat healthy on their own.*
- Allow them to help themselves to the food.*
- Encourage them to button their clothes and put on socks and shoes.*
- Pick up a storybook and read it to them.*

Preschool-aged children are naturally drawn to animals. We are confident that your child has a favourite picture book or toy, a rhyme, or a birthday cake with an animal theme. Nurturing this connection can help children develop empathy and respect for animals and their surroundings from a young age, and these are important learning experiences for enhancing socio-emotional development. Keeping this in mind, the theme chosen for the summer holiday assignment is [The World of Fauna](#). We've planned some fun activities to foster their interest in animals while keeping learning at the centre of it all. Included with this cover note, you will find a set of instructions and activities that your child can complete throughout the summer.

Please feel free to assist your child as needed. We hope that your child enjoys the activities and continues to develop their love of learning.

Thank you for your support and have a wonderful summer!

Pre School

Pre School A & Pre School B

AQUATIC ANIMALS

- **Ocean in a bottle:** Fill a clean bottle halfway with water. Add powder glitter and mini toy sea creatures to it. Watch the glitter and sea creatures move in the water as you shake the bottle.
- **Paper plate aquarium:** Make a miniature underwater world out of a paper plate, craft paper, poster colours, and clean film.
- **Accordion fold paper fish mobile:** Use a simple paper folding technique, to make at least five colourful fish. Create a mobile using the fish.
- **Eggy the crocodile:** Use an egg tray, craft paper, and poster colours, to create a crocodile puppet.

Art Work

Make a pencil holder out of a soft drink can. Cover it with blue paper and colourful paper aquatic animals.

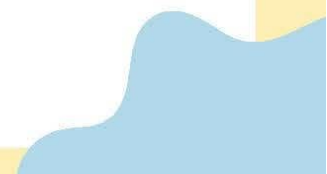

Pre School C & Pre School D

FARM ANIMALS

- **Masks and Head Gear:** Make at least two masks/headgear of your favourite farm animal out of a paper plate, construction paper, and scrap materials.
- **Jigsaw Puzzle:** Make a box with a set of two jigsaw puzzles (6" * 6") out of waste cardboard, colourful paper, and poster colours.
- **Box Farm animal:** Make a farm animal out of cardboard boxes and brightly coloured paper.
- **Piggy Bank:** Create a piggy bank out of an old pet bottle and poster paint.

Art Work

Use cotton, wobbly eyes, and paper cups to make fluffy paper cup sheep.

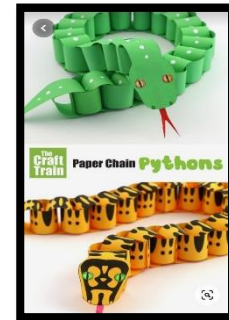

Pre School E & Pre School F

WILD ANIMALS

- **Masks:** Using construction paper, poster colours, and other materials, make two masks of your favourite wild animal.
- **Dioramas:** Make dioramas of various animal habitats, such as a rainforest or a desert, out of materials such as construction paper, tissue paper, pebbles, cotton, and so on.
- **Puppets:** Encourage children to make at least two wild animal puppets out of paper bags, construction paper, and other craft materials.
- **Domino:** Make a set of dominos (6 pairs) of wild animals and their babies out of cardboard, colourful paper, poster colours, and other materials.

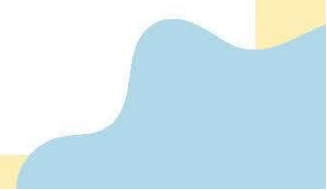

Art Work: Make a snake/cobra out of paper chains.

Pre School G & Pre School H

PET ANIMALS

- **Masks:** Create a mask of your favourite pet animal out of construction paper, poster colours, and other materials.
- **Pen/pencil stand:** Create a pen stand out of an empty can, colourful paper, poster paint, and scrap materials. Draw or copy a picture of a pet animal.
- **Paper Toys:** Use paper bags, construction paper, and other craft materials to make paper toys of at least two pet animals. They can act out stories or play pretend with their toys.
- **My milk mug:** Using paint and wobbly eyes, draw or paint any of your favourite pet animal on a white ceramic mug.

Art Work : Make a pot using used pet bottles and paint your favourite pet animal on it using poster colours.

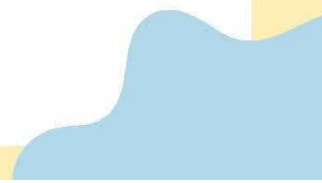

Pre School I & Pre School .I

BIRDS & INSECTS

- **DIY Bird feeders**: Make bird feeders using materials like pinecones, coconut shells, egg trays, peanut shells, and bird seeds. Children can hang them outside and observe which birds come to eat.
- **Bird and insect collage**: Let the children create a collage of different birds and insects using construction paper, tissue paper, and other materials. They can learn about the different colours and shapes of these animals.
- **Bird Habitat**: Collect feathers, leaves and other natural materials to make a nest or a habitat for your toy bird.
- **Pot Painting**: Paint & decorate a pot to feed the birds with water to quench their thirst.
- **Art Work**: Make a pair of Rocking Hen using paper plate, craft paper and wobbly eyes.
