### **PRIMARY DEPARTMENT** **Language Learning Academy**

Dear parent,

Apart from being a tool for communication, language plays a crucial role in the development of our personality. In today's multilingual world, knowing a second language is not only beneficial, but extremely necessary to succeed in life. Various studies have proven that children raised in multilingual environments outperform those raised in monolingual environments. Even the slightest exposure to the multiple languages can enhance the communication skills in growing children.

With great pride we announce that our **Language Learning Academy** aims at providing our young learners an opportunity to enhance their linguistic skills. The first batch was initiated on May 10, 2022, since then the academy is running successfully. The registrations are now open for the next Spanish batch. The duration of the whole course will be 6 months approximately.

Kindly note:

- The classes will be conducted thrice a week (Wednesday, Thursday, Saturday) through online mode from 5:00 p.m. to 6:00 p.m.
- Fee for the programme is Rs1000 per month and Rs 6000 for the entire programme.
- The parents who are interested kindly enroll their ward through the given link.
