Circular No. 21c/ BBPS Pry, PR

PRIMARY DEPARTMENT

Dear Parents,

I am writing to address the recent incident at our school regarding the threat.

It has come to our attention that despite our efforts to reassure you and maintain calm through our communication channels, there was a significant level of panic and chaos at the school premises today. We understand that situations like these can be distressing, but it's crucial for us to handle them with composure and trust in the security protocols in place.

The safety and security of our students and staff are our utmost priority, and we have robust measures in place to handle such situations, including close coordination with law enforcement authorities.

Today, the Delhi Police and Bomb Detection Squad were immediately called upon to investigate the threat thoroughly.

We understand the natural instinct to prioritize the safety of your children, but panicking and rushing to the school premises can inadvertently exacerbate the situation and impede the efforts of the authorities to ensure a safe resolution.

We request your cooperation in maintaining calm and trust in the procedures established to handle security incidents. It is essential to allow the authorities and school administration to carry out their duties effectively without unnecessary disruptions.

Let's work together to ensure a safe and secure environment for our students and staff.

Thank you for your understanding and cooperation.
