

Circular No. 40/ BBPS Pry, PR

#### PRIMARY DEPARTMENT

Dear Parents,

At Bal Bharati, we believe that reading is the foundation of learning, which motivates students to read books independently, develops creativity, critical thinking, vocabulary and the ability to express both verbally and in writing.

Over the past two years, our Reading Programme has successfully engaged students and fostered a genuine love for reading. The impact has been truly rewarding, with noticeable growth in their comprehension, vocabulary, and overall confidence as readers.

We are delighted to introduce our Reading Programme for the new academic session 2025-26 — a carefully designed initiative to nurture a lifelong love for reading among our students.

This programme aims to enhance vocabulary, comprehension, and critical thinking skills by engaging learners in a blend of fiction and non-fiction texts.

The programme follows a structured approach that encourages focused reading, thoughtful discussion, and meaningful expression, helping students engage deeply with each text.

#### Key Features of the Programme:

- **Monthly Reading Texts:** Students will read a short curated text each month, followed by enriching activities.
- **Suggested Reads:** Carefully recommended books will complement the reading journey from time to time, encouraging independent exploration and supported by engaging classroom activities.

We are excited to share the first TextChunk Card (Reading Card) of the session.

You are requested to take a printout of the attached TextChunk Card and send it along with your ward on Tuesday, 6.05.25.

Let's work together to cultivate thoughtful, expressive, and confident readers!

Regards
